Advertising is accepted with the understanding that the advertiser or his agency agrees to indemnify the publisher against any expenses or claims resulting from the unauthorized use of any name, photography, copyrighted material, or patented article in said advertiser's advertisement.

The publisher reserves the right to refuse any advertisement that, in his or her opinion, is unethical, makes extravagant claims, misrepresents, is unfair or harmful to other advertisers, violates postal or U.S. currency regulations, or is unsatisfactory to said publisher or its interests.

The rate will be adjusted to reflect the actual number of units used within the contract year. Orders are accepted subject to change in rates upon notice from the publisher. Contracts may be canceled at the time the new rates become effective without incurring a short-rate adjustment.
